

What is the Nirk Challenge?

Ron and Janie Nirk, of Potlatch, have pledged to match the first \$50,000 in donations made to the Gritman Community Wellness Center by June 30, 2010.

Their desire is to see wellness opportunities for people of all ages and from all areas served by Gritman Medical Center.

Ron and Janie Nirk Challenge

For a Community of Wellness

Why should I give?

The Gritman Community Wellness Center already sees more than 1,100 visits per month. This renovation project will offer more wellness opportunities for area residents.

Will my donation matter?

This project is a true community effort designed to bring together communities, age groups and wellness needs. All donations, big and small, will benefit everyone--our families, our neighbors and friends.
