### About Our Estimated Charges

In today's complex and ever-changing health care market, consumers are becoming more and more responsible for their own health care, including its costs. The estimated charges above are intended to provide you with information to help you make informed health care purchasing decisions.

Please note that the estimated charge can be affected by a number of factors, including:

Your severity of illness.

Your wage income.

Your bill may differ from the charges shown in these tables. These numbers reflect annual averages. Your bill reflects your use of services. The average charge does not include physician professional fees.
