Family Goals for Therapy- Physical and Occupational Therapy

What specific goals can we help your child achieve?

What activities does your child enjoy? What are your child's strengths?

Does your child struggle with fine motor tasks (buttons, dressing fasteners, coloring, cutting, etc.)?

Does your child struggle with gross motor tasks (i.e. appears clumsy, has difficulty learning new movements, poor balance, etc.)?

Do you have any concerns about your child's frustration tolerance? Please describe:

Do you have any concerns about your child's sensory processing (sensitivity to light, sound, touch, etc.)?

Has your child experienced any past challenges or traumas you would like your therapist to know about?

Is there anything else you would like us to know?

Policy Page – Physical and Occupational Therapy

It is important to us that you and your child have a positive experience in therapy. Please initial the following to indicate your understanding of our clinic policies.

_____ Arrive Early:

Initial Evaluations: You are expected to arrive and check-in 15 minutes prior to your scheduled evaluation to allow for the registration process.

Aquatic Patients: Please arrive 15 minutes prior to your scheduled appointment to give you time to change for the pool.

_____ Cancellations:

It is expected that you will provide 24-hour notice when canceling your appointment with the exception of illness. To cancel your appointment, please call (208)883-1522. You can contact us 24 hours a day, 7 days a week. If you reach our answering service, please leave a message. Providing less than 24-hours' notice is considered a No Show.

_____ No Show

Not providing 24-hours' notice is considered a No Show. If you have not given proper 24-hour notice, with the exception of sickness, we follow the guidelines listed below:

If you No Show your initial evaluation (your 1st appointment with your therapist) two times, your referral will be moved to the bottom of the waitlist. A notification will be sent to your referring provider.

First and Second No Show for Treatment: You will receive a warning notice through OCHIN EPIC MyChart or a phone call (only for those who have not signed up for MyChart), explaining our policy and requesting compliance.

Third No Show/Late Cancelation: A termination letter will be sent to you via OCHIN EPIC MyChart or a phone call/voicemail (for those who have not signed up for OCHIN EPIC MyChart) explaining our policy. Notification will be sent to your referring provider.

_____ Late Arrivals:

If you arrive more than 10 minutes after your appointment time it may necessitate cancellation and/or reschedule the appointment. The Front Office Staff will consult with your therapist to determine if there is time to have an abbreviated appointment.

_____ Illness:

We value the health and safety of our patients and staff. If you or your child have been sick in the past 24 hours (fever, vomiting, cold/flu/COVID like symptoms) please cancel your appointment. Our staff will keep these standards as well and not attend their shift to ensure your health and safety. This may lead to us cancelling your appointment.

_____ Parental Involvement:

You are your child's first and most important teacher. We ask that you to observe all of your child's therapy session(s).

Gritman Therapy Solutions
810 S. Main St.
Moscow, ID 83843
Phone: 208-883-1522
Fax: 208-883-6452

_____ Homework:

We encourage families to practice their therapy exercises at home. Your therapist will provide specific suggestions. If you have questions or are unsure of what to do with your child at home, please do not hesitate to speak with your child's therapist.

_____ Consent:

We will automatically share your child's evaluation and subsequent progress reports with the provider who referred your child to us. If you would like us to share information with your child's school, or another provider, please sign the attached Authorization to Release Protected Health Information.

_____ Insurance:

We will bill your insurance (if applicable) for your child's therapy visits. If you have any questions about your coverage, we encourage you to contact your insurance company. If you have questions about your bill, please contact the Gritman Billing Office.

_____ Email:

Please be aware that MyChart is the preferred and most secure way to communicate with your provider. Email communication is not considered a secure method of transmitting sensitive health information under the Health Insurance Portability and Accountability Act (HIPAA). While we strive to protect your privacy, there is a risk that your information may be intercepted or accessed by unauthorized individuals. By choosing to communicate with us via email, you acknowledge and accept these risks. If you still wish to receive correspondence over email, please confirm your preference below.
